We were really looking forward to coming this year and were not disappointed, of course we come for the skiing but the reality is that you really make us feel at home so much that the holiday is really about being at 'les cimes'. Thank you for another great week, thank you to Charlie, great food! Thank you for the care and attention of the whole team, thank you for the excellent guiding. But thank you most for the warm welcome and the fun that you make for all of us at New Year. Peter, Di, Tori & Rory, New Year 2013

Our 4th time at Les Cimes, as usual the chalet was 5*, the staff 6* and the food off the scale, see you next year. Bernard, Lisa, Holly & Laura, January 2013.

Great Stay - Fab Skiing and weather, Brilliant food and a fun crowd as always.

Thanks Michelle, Adam & Team. Liz, Andy, Kyle & Christie January 2013

I have been skiing every winter since 1963 and during that time I have experienced (or organised) all sorts of skiing trips to the Alps and the Rockies, to Hotels and Chalets, catered and self-catering. I have to say that the week we spent with you at Hotel les Cimes has to rank as one of the best. You have managed to create a warm and friendly atmosphere with a relaxed and flexible approach whilst at the same time maintaining excellent standards. We are quite a large and diverse group, All of us were impressed by the warmth and friendliness of the whole Ski Royale team, because we have all been skiing for such a long time we do not normally take advantage of ski guiding, but it was such a pleasant experience and so well organised and unregimented that it became one of the highlights of our skiing, The food was also to an exceptionally high standard,
